2025 Iceland Exploration: The Land of Fire and Ice

October 27 – November 2, 2025 – 7 days/6 nights

Incredible, natural scenery – Geyers and Volcanos – Healing, Thermal Waters – Whale Watching – Glaciers and Waterfalls – Hiking – Culinary Delights – Potential Northern Lights Sightings – High-Quality Accommodations – Guided Tours Daily

Step In To Nature

Nothing compares to the magnificence of nature in Iceland! Pack your hiking boots with good treads, plus warm and waterproof layers so you'll be ready to explore some of the world's most unique geologic features on foot. Wait until you see what we'll access via snowmobile, and then hiking into an amazing natural ice cave from there! While our hikes won't be excessively strenuous, they'll allow us to get out and truly experience nature in its most majestic form in Iceland, along pathways to some of the most amazing glacial formations, volcanic eruptions, waterfalls, and so much more.

Captivating Accommodations

Each of the hotels we've selected for our Iceland Exploration offer something unique to insure a great night's sleep and wonderful meals. Comfort, Scandinavian style and functional simplicity abound. You'll relax and unwind with the relaxed atmosphere of our downtown Reykjavik boutique hotel before moving on to two, truly one-of-a-kind properties

that will take you to the edge of nature and the night sky. Fall temperatures are perfect for exploring and sleeping peacefully, typically ranging from 30 – 45°F

Citylife & Creative Cuisine

From our initial stay in Reykjavik, we'll explore key neighborhoods and sites in this capital city. We'll learn about the history and unique culture with our local guide and stops at local museums. Reykjavik offers a variety of restaurants to match everyone's taste, having gained a great reputation for creative cuisine featuring local seafood, lamb as well as vegetarian options. We have a special treat planned for our first night in the world of culinary delights – so take a look at the itinerary for details! Best to be prepared for a bit higher prices on food as some ingredients are imported across the sea to this island nation.

Illuminated Skies

When it comes to potential Northen Lights sightings, few countries offer what Iceland can during the months we'll visit. Get ready for truly dark night skies. We'll take you on a Northern Lights safari adventure one evening, and then find ourselves staying at incredible hotels in remote areas where one can literally step outside to see the shimmering greens, pinks and purples of the Aurora Borealis in action!

Soak It Up

Geothermal heat is leveraged throughout Iceland for natural and manmade pools for soaking. In fact, daily soaks are a part of the local culture and the place to gather and catch up on the latest happenings. Beyond their social value, the hot water of Iceland is truly healing and a chance to warm the bones and the soul! We'll enjoy time to soak it up and experience this classic aspect to Icelandic culture at our own private, mineral-rich lagoon at the world-famous Blue Lagoon.

Photographers Paradise

Whether you're carrying a newer phone with excellent photo-capturing abilities, or you're bringing a 35mm digital — get ready to capture the most stunning landscapes and geologic features, cultural highlights and photos of your smiling travel companions. Iceland provides incredible opportunities to test your talents and bring home images of the wonders you'll explore.

Viking Heritage

Curious how Iceland got its name and who lived here so long ago? In addition to the museum curations we'll discover in Reykjavik, we'll come across many remnants of Viking culture along our travels. Watch for the unique housing structures, places of worship and settlements that have been preserved to honor Iceland's hearty locals of long ago.

My **2025 Iceland Exploration: The Land of Fire and Ice** is truly the adventure of a lifetime! Jim and I can't wait to share this extraordinary experience with those lucky travelers who say "yes" and register right away!

Cheers! Skál!

Welcome to Iceland! Please meet your driver at the arrival hall with the name sign for our private, group transfer to the Hotel Sand by KEA from Keflavik International Airport. As most flights arrive early morning before 8:00 am, you'll check your bags at the hotel and join us for a 2-hour guided tour to the National Museum of Iceland. We'll stretch our legs on our way there with a 20-25-minute, relaxed walk with our guide. This museum offers insight into Icelandic cultural history and artifacts from the past, present and future and sets the perfect foundation of information for our week.

Next we'll discover Icelandic cuisine together in a hands-on 3.5 hour gourmet cooking workshop and tasting with a local chef. Our chef will guide us in preparation of fresh, local ingredients, enjoyed with a glass of wine. During the tasting, sample Icelandic specialties such as smoked Artic char, lamb, rye bread and local beer. Learn about the country's culinary traditions in this private, small group setting sure to satisfy! Following our afternoon cooking class, we'll return to the hotel to check in time and get settled into your room to relax, or explore areas near the hotel.

The Hotel Sand is a highly desirable 4-Star luxury Iceland property located in the heart of downtown Reykjavik. It features a relaxed atmosphere and artistic touches with its boutique-style design. Just around the corner you'll step into the bustling city life and rich culture of the capital city. This unique property houses two 100+ year old businesses – the Sandholt Bakery and Gudstein Eyjólfsson haberdashery. Reykjavik is a walkable city with fascinating neighborhoods to explore. We'll provide some great suggestions for you to explore for a few hours on your first day in Iceland. Enjoy a good night's rest before we continue our Exploration of Reykjavik.

Overnight: Hotel Sand by KEAHotels, Reykjavik (Luncheon sampling at cooking class)

DAY 2 – Tuesday, October 28 – DISCOVER REYKJAVIK – MUSEUMS – LAVA SHOW

After breakfast at our hotel, we'll head out to discover Reykjavik with a 4-hour private, sightseeing tour. Reykjavik is the northernmost capital in the world, and one of Europe's youngest cities. It offers a vibrant blend of history, culture and stunning, natural

beauty. We'll take time to visit and linger over the city's most iconic historic landmarks and hidden gems. We'll see charming neighborhoods, scenic coastal areas and bustling local spots full of color and life! Learn about the city's Viking roots, its evolution into a modern capital, and the unique way its people live in harmony with nature.

Get ready for a truly unique stop at the Perlan - Interactive Nature Museum. This museum sits on top of Öskjuhlíð hill, offering a panoramic 360° view over Reykjavik. It is surrounded by woodland and the perfect destination in any weather! Inside, we can explore a real, indoor ice cave, a fascinating nature exhibition, a high-definition planetarium, a cozy café and a stunning view deck! Perlan is considered a "must visit" by most traveling to Iceland.

Like Perlan, our next stop is described in one word —WOW! Get ready to watch real lava (yes it IS real) flow just yards away as it is superheated to 1100°C / 2012°F and poured into the showroom! Over the course of an hour, the LAVA SHOW offers a thrilling, award-winning experience that blends science, culture and spectacle into an unforgettable encounter with the power of Iceland's volcanoes. Outside the LAVA SHOW, volcanic eruptions in Iceland are a natural phenomenon that occur once or twice a year, only controlled by Mother Nature, so seeing the REAL lava flow in this show will be fantastic!

From here, we'll return to our hotel for an evening on your own to explore Reykjavik's nearby restaurants.

Overnight: Hotel Sand by KEAHotels, Reykjavik (B)

DAY 3 – Wednesday, October 29 – SNOW & ICE ADVENTURE

Following breakfast at our hotel, we'll head out for a full day tour of some of the most awe-inspiring landscapes and geologic formations in the world. Today's itinerary features the Langjökull Explorer: Snow & Ice Adventure. We'll begin the day at Deildartunguhver, Europe's most powerful hot spring, where steaming geothermal energy rises from deep within the Earth. Next, we'll wander along the riverbanks where two stunning waterfalls await: the delicate, lace-like streams of Hraunfossar, flowing from beneath a lava field,and the dramatic surge of nearby Barnafoss, with its tragic legend and wild currents. Our route continues through the serene and rarely traveled Hvalfjörður fjord, where sweeping landscapes meet still waters and echoing silence. The adventure reaches its peak atop Langjökull, Iceland's second largest glacier.

Now it's time to layer up in all the gear provided, and move across the landscape with a thrilling snowmobile ride across the endless white expanse, leading to the entrance of the world's longest ice tunnel. Everyone will be provided their own snowmobile (unless you prefer to share) and all necessary gear. For one truly unforgettable hour, we explore the glacier from the inside — walking beneath ancient ice, marveling at its textures and colors,

and learning how it has shaped Iceland for millennia. This experience is a rare blend of adrenaline, serenity, and discovery — an extraordinary day where you don't just witness Iceland's beauty, you feel it. *A valid driver's license is required to drive a snowmobile*.

Following this fabulous day of exploration, we'll head back to our hotel for the evening.

Overnight: Hotel Sand by KEAHotels, Reykjavik (B)

DAY 4 – Thursday, October 30 – WHALE WATCHING CRUISE – NORTHERN LIGHTS TOUR

Get fortified at breakfast before we take a 15-minute walk to the seaside pier where we step aboard step aboard our Whale Watching cruise ship and head out to sea for an unforgettable, 3-hour encounter with Iceland's gentle ocean giants. Sailing from the Old Harbour in Reykjavík, we'll explore the rich waters of Faxaflói Bay, home to majestic minke and humpback whales, playful dolphins, and sometimes even orcas gliding through the waves. Crisp October air, dramatic skies, and the thrill of spotting a whale make this a magical experience you won't forget.

Take an afternoon break and later this evening, get ready for our 4-hour Private Northern Lights tour offering us a chance to witness the breathtaking Northern Lights— one of nature's most elusive and magical phenomena. We'll leave the glow of the city behind, venturing into the darkness of the Icelandic night, where the skies are clear and stars shine bright. While the Aurora Borealis is never guaranteed, the experience of chasing it is unforgettable. In just one day, you'll witness some of the country's most iconic natural and historical wonders: Þingvellir National Park – A place where history and geology meet. Here, you can literally walk between continents as the North American and Eurasian tectonic plates slowly drift apart.

Þingvellir is also the birthplace of the world's oldest parliament, Alþingi, founded in 930 AD. It's no wonder this remarkable site is listed as a UNESCO World Heritage Site. Gullfoss Waterfall – one of Iceland's most beloved natural treasures, is where the mighty Hvítá river plunges dramatically into a deep canyon, creating a powerful and breathtaking display of cascading water and mist. We'll also visit the Geysir Geothermal Area to witness Strokkur,

ERRORS. In case of printing, typographical error, computer error, verbal or human billing error, we reserve the right to invoice or re-invoice participants with corrected billing.

PASSPORT, DRIVERS LICENSE and VISA. A Visa is not currently required to enter Iceland.

For travel outside the United States U.S. citizens must have valid passports, with an expiration date of at least six months after the scheduled return date. If possible, you should renew your passport approximately 9 months before it expires. CANCELLATIONS & COMPLAINTS. We work around-the-clock to ensure your vacation goes smoothly and according to plan. But unexpected problems, often out of our control, can still arise. We urge you to work with us in correcting the problem on the spot instead of dealing with it after you return home. If your program has a tour manager, you are required to work with them to resolve pending issues.

If a cancellation or refund is warranted, it is under the express condition that you release Learning Journeys from all further liability and you thereby waive all additional rights and remedies under this contract or any applicable state, federal or foreign law.

GUESTS NEEDING SPECIAL ASSISTANCE. We regret that we cannot provide individual assistance to a tour member for walking, dining, getting on and off motor coaches and other transportation vehicles, or other personal needs. Please provide your Learning Journeys Program Manager about any specific dietary needs or any specific issues which may require attention during your program.

GROUND TRANSPORTATION. Deluxe motor coach transportation will be provided based on the number of participants in our party. Should the number of participants on any motor coach tour drop below estimated passengers, we reserve the right to operate the tour with a smaller vehicle. If luggage guidelines are not followed, a second vehicle may be added to accommodate the excess baggage at the passenger's expense. There are strict laws concerning driver hours on touring coaches that must be always respected. A typical touring day can last 8 hours only. In addition, here are mandatory rest periods during the working day and weekly rest periods depending on the length of the tour.

DELAY CHARGES: If your flight delays cause additional charges for transportation/guides waiting times you will be responsible to pay extra charge on the spot directly to the vendor. If you purchased travel insurance, it may be covered under the policy. We recommend you check with your Travel insurance company on coverage for trip delay.

EXPERIENCES & TRANSFERS: Sightseeing and entrance fees have been included as specified in itinerary. All foreign airport transfers are also included in the land cost. Land arrangements will be provided as described; however, Learning Journeys reserves the right to substitute sightseeing features. Optional add ons and hotel reservations are non-refundable once reserved and paid.

TIPS AND SERVICE CHARGES: All taxes and service charges levied by the hotels or charged by various governments and municipalities are included. Tour Manager and driver tips should be given at the end of the tour. Suggest Tipping in USD will be provided in the months leading up to the Exploration.

SINGLE ROOMS. Be aware that single rooms are often smaller than double rooms. Ask about a "double room/single use" option at a cost above the normal single supplement.

CUSTOMIZED ITINERARY CHANGES. In rare cases scheduled tours may be cancelled. In such cases Learning Journeys reserves the right to change the scheduled tour itinerary or trip features at any time and for any reason, with or without notice and/or to substitute airlines, hotels or features of a similar category for those listed in the confirmed itinerary. Learning Journeys shall not be held liable for any such changes.
